Our Office Building & Working Area

ABOUT US

- The company is an **ISO 9001:2015** certified and registered under MSME & NSIC.
- Over **20 Years** of specialization and expertise in Steel ,Paper ,Converting conventional methods in Rolling Mill, Tube Mill, COC with discrete and continuous applications.
- Providing consultancy and designing need based customized & engineered Solutions ,followed by smooth project execution, successful Installation at site, O&M and after sales services.

Why Choose Us ?

Cost Effectiveness

Quality Assurance

Timely Delivery

Reliability

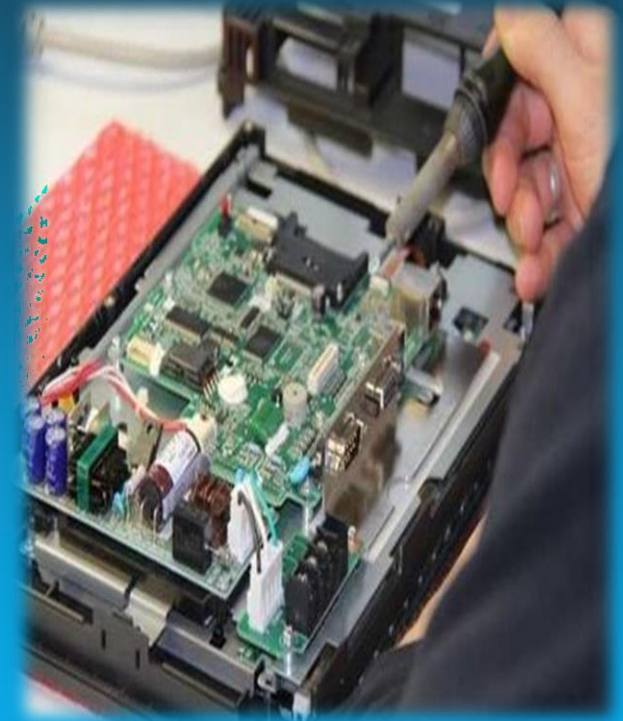

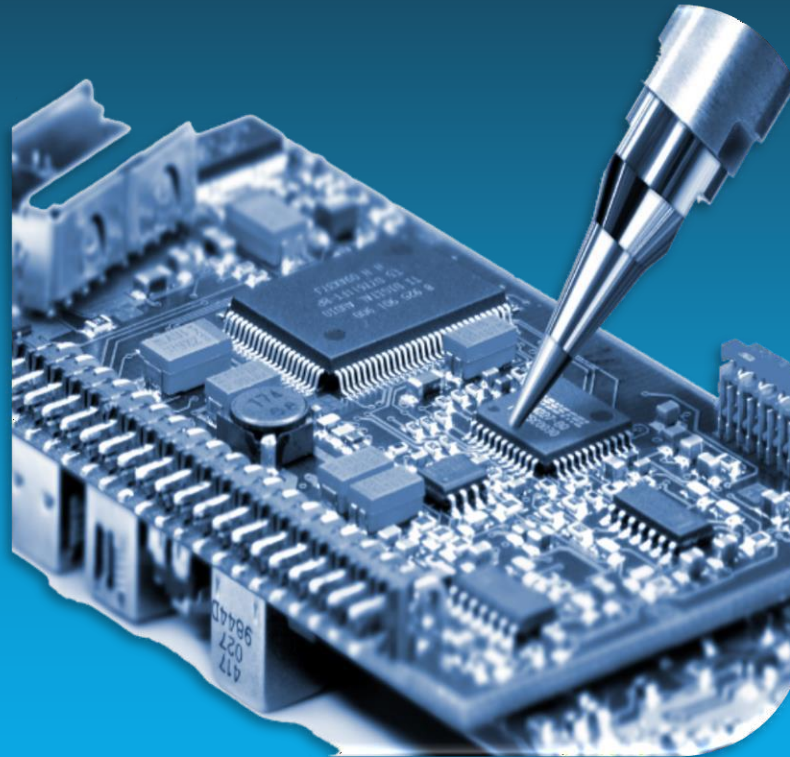

Customer Relationship

Our Services – Repairs

- Analog & Digital Circuit Boards
- AC Variable Frequency Drives
- High Voltage Power Supplies
- DC Drives
- Vector Drives
- AC Servo Drives
- DC Servo Drives
- Spindle Drives
- Power supplies
- Encoders
- Temperature Controller
- Soft Starters Repair
- PLC'
- HMI

We design dedicated testing and repair kit for electronics cards & components for equipment of various makes .
Component Level Repair facility is available at our works.

Our Services – AMC & TRAINING

AMC & MAINTENANCE SERVICES

Maintenance Contract :

- Non-Comprehensive annual Maintenance Contract
- 24X7 Remote Support

Maintenance Engineer Support:

- Provide skilled resources equipped with all tools and to support your production and maintenance team
- Work as an extended team to support you 24x7 from our shop floor

Overall Equipment Effectiveness	Recommended Six Big Losses	Traditional Six Big Losses
Availability Loss	Unplanned Stops	Equipment Failure
	Planned Stops	Setup and Adjustments
Performance Loss	Small Stops	Idling and Minor Stops
	Slow Cycles	Reduced Speed
Quality Loss	Production Rejects	Process Defects
	Startup Rejects	Reduced Yield
OEE	Fully Productive Time	Valuable Operating Time

Our Services – INDUSTRIAL IOT 4.0

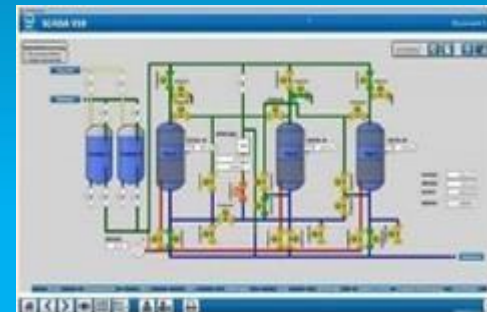

Switch to trending digitalization

1. Improve the OEE
2. Know your losses
3. Instant output Overview
4. Monitoring Manufacturing Efficiency
5. Live Speed Trends
6. Real Time Manufacturing Intelligence
7. Automated Data Captured
8. Real Time & Historical Reports

Mobile & Computer DashBoard
